

Why Become a Member of ATAP?

There are many benefits to membership in ATAP. Here are a few of the most tangible. As an independent practice owner, you will immediately benefit from:

1. A listing on the ATAP website 'Find a Professional' where you can create a mini website to let the public know about your practice and its uniqueness.
2. A full membership in the Canadian Federation of Independent Business (CFIB) including access to all its member benefits, discounts, and resources.
3. Access to exclusive education opportunities including skills updates, practice development and management topics and cross discipline topics updates.
4. Access to resources specifically developed to help independent practice owners to grow successful practices.
5. An opportunity to enroll your employees for employee membership – giving them access to other employee members, support, and resources.
6. Access to the ATAP community – Housed in our Member Portal – including a full member directory, discussion boards, a trusted referral network as well as over 40 years of experienced professional wisdom.
7. Opportunities to share your knowledge and skills on ATAP committees and special projects.

And so much more.

ATAP Canada's website is currently undergoing a re-design and expansion. Be sure to check it out and bookmark it at: <https://atapcanada.ca/>
